Takeaways

Ahnya really enjoyed her dance sessions, she participated actively with a lot of enthusiasm through the sessions. She has a great sense of rhythm and was also able to implement the steps she learnt in a creative manner during the freestyle activities. She was very expressive and also requested to practise some of the choreographies to be able to do them better. I enjoyed my session with Ahnya thoroughly, especially the rock paper scissor's and Ahnya special cooldown! I would really recommend her to keep dancing, well done Ahnya!
