Takeaways

YOGA : Prithi is really active when it comes to yoga poses and games. She enjoys trying out different poses and practice them in her own way.

HIP HOP : Prithi was very communicative and participated well throughout and improved on her body coordination during the sessions.

ARTS: Prithi gained an understanding of the Elements of Arts; shape, lines, colour, values, space and textures. She used them properly in the class. She used her elements imaginatively and her work was neatly finished. Given more opportunity, Prithi will be able to enhance her knowledge of art and can hone her skills of planning and self-expression.
