Takeaways

YOGA: Milan has good observation skills, he observes each and everything planned for the session and enjoys following it. He listens carefully and actively participates in all the activities.

HIPHOP: Milan has good body coordination and is attentive throughout the sessions. He presented the choreography in a very fun manner with a lot of clarity in movement.

ARTS: Milan has been an enthusiastic learner. During the Summer Fun Fusion camp, he gained an understanding of the Elements of Art: line, shape, form, value, colour, texture and space. He was quick in understanding the importance of lines in Zentangle Art and came up with very creative designs and patterns. Milan's artworks reflect great imagination and an eye for detail. Milan was able to creatively explore language associated with materials and their use.
